

FREE STATE PROVINCE

## *Easter well wishes from the Premier of the Free State*

As citizens from all over the province embark on long journeys to various destinations for the Easter weekend, I urge all of them to be safe on the roads and most importantly, not to drink and drive. The safety of our people remains paramount. All road users should observe rules of the road and respect one another as we anticipate experiencing high traffic volumes on our roads during the Easter weekend.

*Ke le lakaletsa barapeli, batsamai, le baeti bohle, maeto a monate a bolokehileng le a tletseng kgotso ka nako ena ya Paseka.*

**E. S. Magashule**
